

**March 19, 2020**

Dear Reliance Family,

We are coming to you again with some significant updates. With the recent COVID-19 recommendations and mandates set by federal, state and local governments, Reliance is going to do its part to support and help to avoid the spread of the Coronavirus.

We value you and your health is a priority to us, so our Sunday service will be **ONLINE ONLY** for the next 2 weeks until we get further direction. We invite you to join us online as our worship team will lead an intimate time of worship, and we will dig into God's Word and find the strength, courage and hope we need

We are encouraging you to watch the services together as a family or facilitate a small gathering of no more than 10 people to watch together. This means that this is your opportunity to have a **"Reliance Watch Party."** **Just as Jesus first miracle came at a wedding or a party if we are praying that as these watch parties happen, miracles will take place right where you are.**

You'll be able to connect to the service by going to [www.reliancecommunity.church](http://www.reliancecommunity.church) and [www.facebook.com/relianceecc](https://www.facebook.com/relianceecc)

This is our opportunity to still function in community, experience the power of the Holy spirit and believe our lives will be transformed. I am anticipating something great to come our way from this opportunity.

Even though we won't see you in person this weekend, we very much want to hear from you. **If you need assistance**, we are available to pray with you! We can be contacted by phone or email at the following: **909-297-5324** or [joelp@reliancecommunity.church](mailto:joelp@reliancecommunity.church)

Our goal during this crisis is to serve you in whatever way you may need.

We will also be having an online Bible study each Tuesday evening at 7:00 pm complete with praise and worship. Plan on joining us by going to our Facebook page at [www.facebook.com/relianceecc](https://www.facebook.com/relianceecc) and join us via Facebook Livestream.

Choosing to live with hope is our stand and we are united to see this take place.

We love you,

Pastor Joel
